

2 March 2020

**CloudCall Group plc**

("CloudCall", the "Company" or the "Group")

**Notice of Results**

CloudCall (AIM: CALL), a leading cloud-based software business that integrates communications into Customer Relationship Management ("CRM") platforms, will announce final results for the 12 months ended 31 December 2019 on Wednesday 25 March 2020.

In addition, the Company will host a webcast and presentation for investors at 11.00am on Wednesday 25 March following publication of the full year results. Investors can register using the link below, and those wishing to join the webcast are invited to log approximately 10 minutes prior to the commencement of the webcast. The webcast will provide an opportunity for investors to ask questions directly to the team.

**About CloudCall Group Plc**

CloudCall is a software and integrated communications business that has developed and provides a suite of cloud-based software and communications products and services. CloudCall's products and services are aimed at enabling organisations to leverage their customer data to enable more effective communications and improve performance.

The CloudCall suite of software products allows companies to fully integrate telephony, messaging and contact centre capabilities into their existing customer relationship management (CRM) software, enabling communications to be made, recorded, logged and categorised from within the CRM system with detailed activity reporting and powerful business intelligence capable of being easily generated.

At the end of December 2019, the Company had approximately 160 staff based in Leicester and London (UK), Boston (US), Minsk (BY) with over 42,000 end-users relying on CloudCall technology to power their communications.
