**About CloudCall Group Plc**

CloudCall is a software and integrated communications business that has developed and provides a suite of cloud-based software and communications products and services. CloudCall's products and services are

aimed at enabling organisations to leverage their customer data to enable more effective communications and improve performance.

The CloudCall suite of software products allows companies to fully integrate telephony, messaging and contact centre capabilities into their existing customer relationship management (CRM) software, enabling communications to be made, recorded, logged and categorised from within the CRM system with detailed activity reporting and powerful business intelligence capable of being easily generated.
