

13<sup>th</sup> November 2014

SNTY

SYNETY GROUP (SNTY) has released a broadcast of the presentation it gave on 6th November 2014 to an audience of investors at the Mello 2014 event in Derby.

*Speaker:* Simon Cleaver, Executive Chairman

*Live date:* Thu, 13th November 2014 10:30am London

SYNETY develops and provides a suite of business communication software and services called CloudCall aimed at helping fast growing medium and large organisations and their employees become far more efficient in the way they handle customer interactions over the phone.
