

6 March 2018

CloudCall Group plc
("CloudCall", the "Company" or the "Group")

Notice of Results and Investor Webcast

CloudCall (AIM: CALL), a leading cloud-based software business that integrates communications into Customer Relationship Management ('CRM') platforms, will announce final results for the year ended 31 December 2017 on Tuesday 20 March 2018.

A presentation to analysts will be held on the day of results. For more information, or to register attendance, please contact Vigo Communications on cloudcall@vigocomms.com.

In addition, the Company will host a webcast and presentation for investors at 11am on 20 March following publication of the full year results. Investors wishing to join the webcast are invited to log into the following website approximately 10 minutes prior to the commencement of the webcast. The webcast will provide an opportunity for investors to ask questions directly to the team.

About CloudCall Group Plc

CloudCall is a software and unified communications business that has developed and provides a suite of cloud-based software and telephony products and services. CloudCall's products and services are aimed at enabling organisations to leverage their voice communications more effectively.

The CloudCall suite of products allows companies to fully integrate their telephony systems into their existing CRM software, enabling calls to be made, recorded, logged and categorised from within the customer relationship management (CRM) system with detailed activity reports capable of being easily generated.

At the end of December 2017, the Company had approximately 120 staff based predominantly in Leicester (UK) and Boston (US) and 23,520 end-users.
