About CloudCall Group Plc

CloudCall is a software and unified communications business that has developed and provides a suite of cloud-based software and telephony products and services. CloudCall's products and services are aimed at enabling organisations to leverage their communications more effectively.

The CloudCall suite of products allows companies to fully integrate their telephony systems into their existing CRM software, enabling calls to be made, recorded, logged and categorised from within the customer relationship management (CRM) system with detailed activity reports capable of being easily generated.

At the end of December 2017, the Company had approximately 120 staff based predominantly in Leicester (UK) and Boston (US) and 23,520 end-users.
